Writing

A. Sapkowski, 'The Witcher'

I would like to share my thoughts of the book I recently read for the sake of our school library. It is not just a book, it is

^{an} entire series about a man named Geralt, who helps others to defeat dangerous mythical creatures. ¹ This book, has caught my interest as soon as I started ^{reading} to read the first chapter. It has ^{an} interesting plot, ² great characters and ^a really big world lore. The lore is full of creatures from Slavic mythology,

It has almost³ the same creatures as Russian fairy-tales, such as kiki-mora and Baba Yaga. Why I decided to read it in English? In my opinion, reading is one of the best ways to learn languages. Actually, it's not the only reason. 'The Witcher' is also my first fantasy book, I have never read a book in this genre before. ^{are} ~~is~~ there ⁴ not so many ~~book~~ fantasy books in our school library, ~~or~~ so why not change something? People can read ~~a~~ ~~great~~ about a great adventure and ~~learn~~ find out more about Slavic folklore and culture. I recommend this book for everyone who likes something magical.
